Nominate a business to be honored at Pinnacle Awards

Jackson, TN — The Jackson Area Chamber of Commerce is taking nominations for the 2010 Pinnacle Awards, which honor local businesses, industries and nonprofit organizations that have reached the pinnacle of success. The program is scheduled for March 8, 2011 at the Carl Perkins Civic Center.

Nominated by their peers, these businesses compete in areas of customer service excellence, history and growth, employee satisfaction and community service. A business may also nominate itself.

“A Pinnacle Award nomination is a way to honor companies deserving of special recognition,” said Chamber manager of events Beth Parnell. “Businesses nominated are those that make an extra effort to achieve excellence in their everyday operation. Because nominees are informed of the source of their nomination, this process can be a wonderful way to let a business know how highly you value its services and the relationship you may have with that company.”

To nominate a business, industry or nonprofit for a Pinnacle Award, contact Beth Parnell at 423-2200 or by e-mail at bparnell@jacksontn.com.
