FOR IMMEDIATE RELEASE

June 15, 2010

H & M Chief of Operations to speak to Chamber young professionals group

Jackson, TN — James Campbell, president and chief of operations with H & M Company, Inc., will share challenges and successes he’s experienced throughout his career during a young professionals luncheon organized by the Jackson Area Chamber of Commerce. The luncheon is scheduled for 11:30 a.m. Friday, June 18 at the Jackson Country Club.

The cost to attend is \$15 for Chamber members and \$25 for non-members.

In February, The Chamber started a young professionals group called U40 for those who are 40 years of age and younger. The group was created to motivate young professionals to become successful leaders of West Tennessee. Participants meet every other month to network, have lunch, and to receive career advice from a seasoned professional.

Since 2002, Campbell, 60, has worked as president and chief of operations with H & M, a national engineering and construction firm founded and headquartered in Jackson. He also serves on The Chamber’s executive committee.

Campbell has a bachelor’s degree in political science from the University of Tennessee, a master’s degree in international relations from the University of Hawaii and a master’s in business administration from Pepperdine University.

To RSVP for the event, please contact Brandy Stutsman at 423-2200 or bstutsman@jacksontn.com.
